## Reasonable Suspicion Determination for Supervisors Seminar

[www.tsi.dot.gov](http://www.tsi.dot.gov)

People Moving People into America's Future

The Federal Transit Administration, through the Transportation Safety Institute (TSI), the Transit Safety and Security Division, offers a variety of safety and security training for the transit industry. To view all available transit safety and security training and the latest training schedule, go to TSI's website, transit section:

[www.tsi.gov](http://www.tsi.gov)

[www.tsi.gov](http://www.tsi.gov)

- Supervisor roles and responsibilities
- Reasonable Suspicion testing determination common in the transit workplace

## Who Should Attend

- Transit Supervisors
- Other Transit Company Officials

## 2008 Schedule

- October 24, 2007 New Orleans, LA
- March 20, 2008 Tampa, FL
- March 31, 2008 Austin, TX
- April 1, 2008 Austin, TX
- July 8, 2008 Kansas City, MO
- July 9, 2008 Kansas City, MO

- FTA drug and alcohol program requirements
- Drug and alcohol testing types and procedures
- Signs, symptoms, and workplace impact of alcohol misuse
- Signs, symptoms, and workplace impact of drug abuse

## Seminar Elements

This seminar is designed to educate participants on DOT/FTA regulations requiring drug and alcohol testing of safety-sensitive transit workers. The focus will be specific training requirements for supervisors who will be making the determination of when to administer reasonable suspicion drug and/or alcohol tests. This seminar meets and exceeds the requirements under 49 CFR Part 655.14(b)(2).

## Seminar Overview
